Patient Parking Options: As your health care provider, we want to do everything we can to exceed your expectations. One way to help you feel very good about your experience with us is to help you find the most convenient parking available for you and your loved ones. This map is designed to help you locate the best parking options for patients and visitors at Capital Region. The areas highlighted in light red are those lots that allow for easiest access to the Medial Center's patient entrances.
