

give  
from the  
heart

lend a  
helping  
hand

share a  
smiling  
face

brighten  
someone's  
day

## Join the Partners Team of Volunteers

**P**artnering with Capital Region Medical Center to promote a caring and friendly atmosphere in the hospital. Our **partners** volunteers donate their time and energy to enhance the lives of patients, visitors, and hospital staff.

**A** brief history of the **partners** – In 2001, the volunteers and auxiliary of Capital Region Medical Center joined together to form the **partners**. The logo and statement of principle, “United in the Spirit of Giving,” were adopted.

**R**ecruitment is an ongoing commitment of the **partners**. We welcome men and women of all ages to experience the fellowship here. We support the medical center by raising funds to benefit the scholarship program and hospital related needs.

**T**he benefits you will reap are working with the friendly, caring, **partners** team while making a difference in someone’s day. Service and nurturing with respect, enthusiasm and a smile is our hallmark.

**N**ot sure what you can do? The **partners** have many great opportunities:

- gift shop
- surgery waiting room
- Reach Out and Read – pediatric office
- flower and mail delivery
- information desk
- fund-raising activities
- volunteer office assistants
- quilting and sewing
- office and courier work within various medical center departments
- book cart

**E**ach summer the **partners** Volunteer program is offered to teens.

Volunteering provides a young person the opportunity to gain knowledge while providing a valuable community service.

**R**especting the confidentiality of all our patients and visitors is a pledge of each **partners** volunteer.

**S**upport your community! To learn more about the **partners** dedicated team of volunteers contact the Volunteer Director at one of the numbers below. We all have a talent and a few hours to give back to our community for future generations. Call the **partners** today!
