

**THIS PRACTICE HAS ADOPTED THE
FOLLOWING POLICIES FOR
CHARGES FOR HEALTH CARE SERVICES**

We will charge persons receiving health services at the usual and customary rate prevailing in this area. Health services will be provided at no charge, or at a reduced charge, to persons unable to pay for services. In addition, persons will be charged for services to the extent that payment will be made by a third party authorized or under legal obligation to pay the charges.

We will not discriminate against any person receiving health services because of their inability to pay for services, or because payment for health services will be made under Medicare or Medicaid. We will accept assignment under the Social Security Act for all services for which payment may be made under Medicare. We have an agreement with the State of Missouri, which administers the State plan for medical assistance under Medicaid to provide services to persons entitled to medical assistance under the plan.
